ABOUT ROUND HOUSE THEATRE

Round House is a theatre for everyone. We enrich our community through bold, outstanding theatrical and educational experiences that inspire empathy and demand conversation. We work toward equity, diversity, and inclusion across all aspects of our organization; we highlight voices that have been historically misrepresented and under-resourced by the theatre field; and we ensure that our work is accessible to patrons of all ages, cultural backgrounds, economic groups, and physical ability. Our organizational values include a commitment to be an anti-racist, anti-sexist organization. We actively encourage people from a variety of backgrounds with different experiences, skills, and stories to join us and develop our working practice.

Round House Theatre is one of the “Big Six” professional theatres in the Washington, DC area, with “a renovation matching [its] upgrade in recent years as a purveyor of dramatic art” (Peter Marks, The Washington Post). A nonprofit professional LORT theatre with an annual budget of more than $6 million located in suburban Washington, DC (Bethesda and Silver Spring, MD), Round House produces a six-show season of new plays, modern classics, and musicals for more than 30,000 patrons each year at its newly renovated 350-seat theatre in Bethesda in addition to providing educational programs for more than 5,000 students of all ages at its six-classroom Education Center in Silver Spring, in schools throughout Montgomery County, and at the Bethesda theatre.
